

# USE, UNDERSTAND & CREATE:

## A Digital Literacy Workshop for Pre-Service Teachers

### When:

9:30 am - 12:30 pm

Tuesday

March 27, 2018

### Where:

H131

As a new teacher, you need to be equipped to help your students successfully and ethically navigate the digital world. Join us at a digital literacy education workshop at your faculty of education to learn essential digital literacy skills and competencies, understand the digital experiences of Canadian youth, and familiarize yourself with the resources and tools that are available through the digital literacy framework.
