

Join the Professional Learning Team

Employment Opportunities

Professional Learning Assistants (PLAs) are student employees of the Schulich School of Education, who assist the Professional Learning Coordinator with facilitating workshops, presentations and events. PLAs offer support with educational technology integration, host presentations and workshops, and communicate upcoming opportunities to all Bachelor of Education students. Applicants to these positions will have strong interpersonal, organizational and time management skills.

- Hourly wage of \$14.00;
- Average of 3 to 5 hours per week;
- Opportunities to learn new technologies (SMART Board, Promethean Activboard, Mimio Teach, iPads etc.) Note: Applicants do not need to be technology wizards to apply, but will possess an interest in exploring integration ideas in the K-12 teaching and learning environments.

Event Assistants

As part of the Professional Learning Team, PLAs will also assist with a variety of events hosted by the Professional Learning Program including the annual Career Fair, which welcomes recruiters on a provincial, national and international level.

Apply Today

Consider this Unique Opportunity

Cover letters and résumés will be accepted via email until **Friday August 3, 2018**.

Interviews will take place via Skype in August, and PLAs will begin their duties in September.
